Mr. Sean Kery

presents

“Forensic Investigation of  
Shipwrecks”

February 7, 2010

2:00 - 4:00 p.m.

Northeast Community Center

4075 Gordon Stinnett Avenue  
Chesapeake Beach, MD 20732

Sean Kery, a member of the Naval Architects and Marine Engineers, Marine Forensics Committee, will discuss and demonstrate the sinking of the Bismarck, Monitor and Edmund Fitzgerald. Mr. Kery has spent nearly a year at sea on a variety of research projects including the investigation of the shipwrecks noted above, as well as other famous wrecks such as the Titanic, Yorktown, Andrea Doria, and the Luisitania. Come join us for this very exciting presentation.
